Bellus

HONESTY. EXPERTISE. INNOVATION

Are you looking to launch unique, innovative personal care products? Do you want a partner that can also provide the additional business, marketing and design services to simplify your launch or growth strategy? Well, Bellus Labs is the right fit for you.

Our offering is unlike any other “Private Label” program on the market. Instead of just slapping your label on bulk, premade products, we give you the option to customize your products to match your brand identity.

TRUSTED BY THE WORLD’S BEST BRANDS

SIMPLE. STREAMLINED. SUCCESS

Think of us as your personal business resource. From concept to launch and beyond you're provided with a brand coach to empower your growth and success.

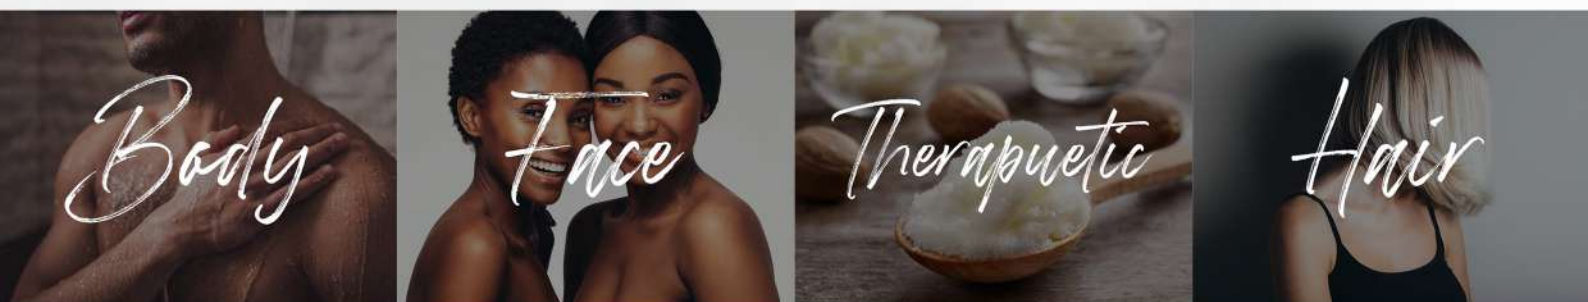

Say goodbye to the stress of managing multiple agencies and vendors to launch your brand.

As your strategic partner, we give you access to a suite of business services to keep all aspects of your launch in one place.

WHAT'S RIGHT FOR YOU?

STOCK, SEMI CUSTOM OR CUSTOM

At Bellus Labs we give you multiple options to launch the product of your dreams. You can brand our stock formulas, as is or with a "boost" to make that formula completely unique to your brand. However, if you have a concept, or want a product we don't offer, we can formulate that product from scratch
