BLANKET ORDER

Great For

Businesses with moderate to high volume sales (5k - 100k unit orders).

We continually produce inventory to a specific number of units and release according to a set interval.

EG: Run 25k units at a time, release 5k units every 2 weeks

Order Terms

Payments made in intervals of 33% according to a set schedule

CHANGES | DELAYS | OUT OF SCOPE REQUESTS

Any changes to the project will shift the timeline by a minimum of 2 weeks. Bellus is here to support you during this journey, if you have a special request for something that is outside the scope of your project, will we do our best to assess and provide a quote.

Delays are most common when custom, non stock ingredients are requested for your formula. This happens because we will need to establish a relationship with the new supplier, this could take a few days or in some cases a few weeks. We will do our best to provide timely completion.
