Manufacturing Accelerator Program

Ready to launch your brand? Want to get a head start on the process? Our Accelerator program gets you exclusive priority access to our manufacturing and business services during your R&D engagement.

Benefits

Reduce Timeline

Reserves a floating slot on the production schedule, reducing your timeline to production.

Packaging Design

Explore and choose the perfect packaging for your product with ease and excitement!

Access to Services

Our MFG Accelerator program gives you access to start your brand services early. From branding, to website or marketing.

Exclusive Discounts

- 15% off Services
 - 10% off additional MFG Projects
 - 20% off R&D Projects
-

Eligibility

Second round of sample production must be completed. Complete all required product testing before the manufacturing process commences.

MOQ Requirements

The Minimum Order Quantity (MOQ) for manufacturing starts at just 500 units, while custom screen-printed orders can be placed with a minimum of 3000 units.

Terms & Conditions

You're not locked into the Manufacturing Accelerator Program. Program deposit is non refundable. Manufacturing must begin within 6 months of program start.

Secure Your Manufacturing Accelerator Program

Transform your product dreams into reality starting today. Initiate the process by utilizing the link below or reaching out to your dedicated R&D coordinator to facilitate the issuance of an invoice.

\$750 per product
